With warmer weather here the tennis courts have been very busy. We have high school and league matches, lessons and a social play that have kept the courts busy. Thank you to all the members for your support. 2018 has started off in a great way.

On March 23rd we had our first kids tennis party of 2018. To say it was a success would be an understatement... 18 kids out on a Friday night enjoyed dunking Coach Brian in the dunking booth and had fun jumping and laughing in the bouncy house. Games, candy, bubbles and hula hoops were enjoyed by all! Our next kids tennis party will be in April with the date TBD.

Our member spotlight this month is Allison Ott! Allison is one of Coach Brian's standout students in cardio tennis on Friday mornings. Allison also participates on our league teams here at Fernwood. Thank you Allison for your support!

See everyone on the courts!

Brian Perry,
Director of Tennis
Fernwood Country Club

GOLF COURSE NEWS

Darrell Easley
Director of Golf

Lots of work to be done here at FCC!! I want to thank the many members who have approached me to volunteer their time to make improvements—we will take on projects one a time.

Geoff Hodgson and Jerry Miller are managing the pro shop while Jimmy and Ben Boyd are working on the golf course. The pro shop opens at 7:45 am and closes at 6:00 pm.

We have a junior golf clinic each Tuesday (weather permitting) from 3:15 pm—5:00 pm. Currently we have 6-10 young folks and can take on a few more. Jake Easley helps with the instruction & organization. If your youngster wants to participate call the pro shop and I'll contact with you about the particulars. It's free!

I would like to start instruction for the juniors in 6th-9th grade on Thursdays 3:15—5:00 pm. Give us a call. You folks with the shanks can stop by for a tune-up, maybe I can help.

Thank you for being a member of FCC—come play & visit & bring a friend.

FROM THE BOARD PRESIDENT

After several weeks of writing, our Reno System from Indianapolis arrived Friday and began installing the felt backing prior to the actual liner. Their Forman has done this type worked for over 30 years and has done several casino hotels on the coast. I am optimistic about how nice our pool and related pumps, skimmers and filter systems will serve us. Jeff McGill's with Fun Time Pools as well as, Austin Electric have been working hard to have their work done before the liner crew arrived. I think we can expect 2+-3 weeks to completion

More good news.....Darrell Easley has accepted the Job of Director of Golf Operations I don't know anyone who's more loyal to FCC than Darrell (and Carol). We look forward to some youth clinics and tournaments and Darrell's knowledge of our membership.

Thank you for your continuing support!

Sincerely,
Dick Frohn
